

Why Marco Rubio Must Go

His U.S. Senate voting record says it all.

Consistently Votes the Trump/GOP party line

VOTED NO on Biden's Inflation Reduction Act

Lowers Rx costs, caps seniors' Rx costs. Curbs inflation by cutting deficit. Makes big corporations & billionaire tax cheats pay fair taxes, invests in domestic production to cut energy costs, makes historic investment to reduce disastrous impact of climate change.

VOTED NO on Biden's CHIPS & Science Act

Lowers computer chip costs in countless consumer and industry items, creates U.S. jobs, helps us compete with China.

VOTED NO on Biden's American Rescue Plan & the historic 2021 Infrastructure Act

Together, they provided \$1,400 checks to low/middle income earners, COVID efforts, rent relief, jobless benefits, schools. \$1.4Trillion for roads, bridges, airports, cyber-security & more.

VOTED NO on Biden's Bipartisan America Competes Act that is now improving supply chains, addressing inflation, creating jobs.

VOTED NO to impeach Trump (twice), create Jan. 6 Commission. **VOTED NO** on John Lewis Voting Rights and Freedom to Vote Act.

OPPOSES a Woman's Right to Choose. Repeatedly.

- Sponsored/co-sponsored 11 anti-abortion bills
- Supports Florida's highly restrictive abortion law
- **VOTED NO** on 2021 Women's Health Protection Act (to counter FL's abortion laws and Supreme Court's overruling Roe v. Wade)
- Opposed President Biden's new Executive Order to safeguard access to medication abortion and emergency contraception.
- **VOTED NO** to Bipartisan Violence Against Women Act

OPPOSES Any Gun Reform

- **VOTED NO** to having the U.S. Senate *even discuss any* gun regulations.
- **Even when 15 GOP Senators voted YES** for a modest compromise bill (no ban on assault weapons or bump stocks, no universal background checks), **Sen. Rubio** again caved to the NRA and **VOTED NO**.

CONSISTENTLY OPPOSES:

Restricting money in politics; expanding Medicare to add vision, dental and lower Rx costs; efforts to reduce impact of climate change. Hypocritical voting record: YES on issues under Trump, NO to very same issues when proposed by Biden.

Vote VAL DEMINGS for U.S. Senate. Do it for Florida. Do it for America. One more Democrat in the U.S. Senate is absolutely critical!
