

GUNS: Where DeSantis & Rubio Stand

6/24/22

GOV. DeSANTIS wants “Constitutional Carry”, a misleading term that actually means **no permit, training or background check required to carry an assault rifle (like AR-15) or other firearms in public**on the street, at grocery stores, malls, restaurants, parks, movies, hospitals, at public gatherings.

DeSantis has vowed to get this done if re-elected Governor in November.

**In TX, Constitutional Carry killed kids.
In FL, it would make us all less safe.**

SEN. RUBIO says calls for gun control are “politicizing a tragedy.” **Consistently votes against gun reform.** \$3 million+ & high ratings from NRA.

After Parkland, FL school slaughter, GOV. DeSANTIS said if he’d been governor, **he would not have signed** even modest gun reforms passed by the FL Legislature.

Vindictive like Trump, **GOV. DeSANTIS** punished **Tampa Bay Rays (baseball team)** for donating to a group working to reduce gun violence. **Vexed, he vetoed \$35 million in state budget for their new training facility and youth complex.**

*After the slaughter of schoolchildren in Uvalde, TX, President Biden asked Congress to ban manufacture & sale of assault weapons & high-capacity magazines and more. **SEN. RUBIO** voted **NO** to having the U.S. Senate even discuss any gun regulations.*

AND THEN, when 15 fellow GOP Senators voted YES for a modest, non-partisan compromise bill (no ban on assault weapons or bump stocks, no universal background checks), **Sen. Rubio again caved to the NRA and voted NO.**

Under pressure after Uvalde, GOV. DeSANTIS revived a weak gun bill passed by the FL Legislature and sitting on his desk since March. Has some school safety & mental health provisions **BUT DOES NOT INCLUDE** bans on assault weapons, bump stocks, high-capacity magazines, or universal background checks.

GOV. DeSANTIS claims new gun laws will “kneecap” rights of law abiding citizens. **What about our right to safe schools & public places?** Check out what **DeSantis & friends** are doing to our freedoms: www.wlrn.org/podcast/tallahassee-takeover

**Endorsed by the NRA, DeSantis & Rubio both play to Trump’s base.
We need to VOTE THEM OUT in November!**
